**JEFFERSON COUNTY
FAIR BOOK
EXHIBITORS' GUIDE & SCHEDULE**

AUGUST 22-25 • BOULDER, MT

JEFFERSON COUNTY RECREATION PARK

Off Highway 69, one-half mile south of Boulder

40TH ANNUAL COUNTY FAIR DEDICATED TO THE MEMORY OF GLENN BRUCE

Glenn Bruce, long-time fairground caretaker, passed away unexpectedly in 2023. Glenn and his wife, Tina, took excellent care of the grounds for 17 years.

The list of how to care for the fairgrounds is four pages long. Glenn was constantly moving hoses to keep the lawns watered. In summer, there is constant mowing and weed whacking. We don't know how many lawn mowers and weed whackers Glenn wore out! He was a master at keeping them running.

There is a constant flow of visitors, for the fair, weddings, meetings, trainings, rodeos, biking, camping, fright night. Glenn constantly welcomed them, reassured them, made them feel at home, set up buildings, moved tables & chairs, adapted to their needs. Recently people have held weddings in the east corner of the grounds. Glenn said proudly, "The Elkhorns in the background make such beautiful wedding pictures."

There are constant fairgrounds renovations. Those improvements meant more for him to keep watch over but Glenn welcomed them all.

The key word is "constant." Glenn was a constant presence at the fairgrounds, at the grocery store, in the community, with his family. It is hard to lose someone who was so constantly positive, joking, kind, and a friend to everyone he met.

Marcel Proust said, "Let us be grateful to people who make us happy, they are the charming gardeners who make our souls blossom."

Thank you, Glenn. You made us happy.

HELP WANTED!

The Fair & Rodeo is even better when you help make it happen

The Jefferson County Fair & Rodeo is loads of fun — and it's even better when you are a part of it! Planned and organized by community volunteers, it takes a lot of people to put on the fair.

There are many ways you can help, including taking entries,

assisting judges, displaying exhibits or stamping hands at the barn dance. Call Leah Lewis at (406) 459-0689 to sign up. To help with rodeo activities, call Brady Nordahl at (406) 531-4581.

General Rules & Regulations

Except for the Kids' Horse Show & Rodeo, which is only open to residents of Jefferson County, the Jefferson County Fair is an 'open' fair, and exhibits in other departments will be accepted from outside the county.

Smoking is not permitted on the grounds or in the buildings. The Fair Board asks the public's cooperation in this.

Alcoholic beverages permitted in Rodeo area ONLY.

The Jefferson County Fair Board reserves the right to formulate and announce new rules to meet emergencies that may arise later and/or during the Fair and to adjudicate all matters arising from the Fair.

The Fair Board reserves the final and absolute right to interpret these rules and regulations to arbitrarily determine all matters, questions and differences in regard thereto, connected with or incident to the Fair; and amend or add to these rules as may seem advantageous to the management.

Every exhibit will be under the control of the Fair Board, but while every precaution will be taken for their safekeeping, neither the Fair Board nor any of its officers or agents will be responsible for any loss, damage or accident that may occur, nor will it be held responsible for the safe return of any exhibit to its owner.

The Fair Board reserves the right to direct and regulate the parking of all vehicles or conveyances within the Fairground and to direct where they shall be driven therein.

Entries must be made on included fair entry form or online entry access is at www.jeffersonmtfairrodeo.org. Exhibitors are encouraged to fill out entry forms online by **Friday, August 16**, so tags are ready when exhibits are brought to the fair. **Late entries WILL be accepted except in Kids' Horse Show & Rodeo, Livestock, Poultry & Rabbits.** For help filling out entry forms, call 406-225-4015.

Age will be considered when judging Junior & Youth divisions.

- Exhibitors erroneously entered may be transferred at the discretion of the Superintendent.
- The Superintendents of the departments will have entire charge of the exhibits in their departments.

- Judges' decisions are final. No disorderly conduct of any kind will be permitted.

Judging will be by merit except in Departments H (Horse Show) and I (Livestock). All entries will be given a blue, red or white ribbon. Absence of competition will not be justification for awarding a high placing to an animal or article of medium quality.

3. Exhibitor is allowed one entry in each lot.

Divisions:

Y = Youth, 7 and under
J = Junior 8 through 16
A = Adult
G = Group

DEFINITIONS:

Bloom: Individual flower, a solitary flower terminating in a stem.
Stem: One (1) bloom with each stem.
Spray: Number of flowers and foliage on 1 stem.
Spike: Stemless flowers on a long stalk, i.e. gladiolus, liatris

HINTS TO EXHIBITORS:

* **Uniformity is very important:** All old blooms, bug-eaten, dead and broken leaves should be removed as carefully as possible. Length of stem, size of flowers, and maturity of flowers all should be as nearly alike as possible. Unless specified in the lot number, it does not matter whether flowers in an exhibit are all the same color. If a certain color is specified, the colors should be as much alike as possible in each flower.

*If plant material is to hold up through the exhibition period, it must be cut no later than a day before it is to be exhibited. Cutting should be done about 4 PM, because at this time there is the greatest amount of sugar in the leaves, and as soon as the flowers are plunged in water they take up enough to overcome any apparent wilting. Plunging stems in water at 100 degrees F is usually best; then set in a cool room, out of any draft, and let the water cool to room temperature. This enables the flowers to retain their rigidity and last much longer.

* Cut stems cleanly at an angle with a sharp knife and place at once in deep water. Foliage should be clean, with any broken or disfigured foliage or petals removed.

* Flowers or branches with wood stems such as phlox and roses should be split, crushed or pounded before being placed in deep water.

* Dahlias should be picked at daylight with a long stem, placed first in cold water, then hot water and set in a cool, dark place during the day. Any flower with milky or colorless fluid in its stem may be seared with a flame or the stem end placed in boiling water several minutes (blooms should be protected from the steam).

* Flowers to be used in arrangements such as Hosta, vegetable leaves, etc., should be immersed in water overnight.

Horticulture

RULES:

- A. All plant material entered in Horticulture Division must be fresh and have been grown by the exhibitor.
- B. Exhibits must have been in the possession of the exhibitor for no fewer than 90 days. Exception: plants grown from seed, seedling or immature (young) transplants. Combination plantings must have been grown together for no fewer than 6 weeks.

The sample should be pure as to variety and class of grain. The grain in the sample should be large, plum, and of a hard, flinty texture. The sample should be free from all kinds of damage such as pin pruning, etc. A deep, yet clear, dark red color is best for milling wheats. In oats and barley, fresh, clean color is very important.
- * **Sheaf grain:** In sheaf grains, the evidence of high yield and quality are of equal importance. A sheaf grain should be pure as to variety. The grain must be the natural green color and the maximum amount of foliage.
- * **Forage sheaves:** Sheaves are judged on their apparent forage, quality, purity and yield. It is essential that the show sample be cured in a way that preserves the natural green color and the maximum amount of foliage.

- * **Green Onions:** Lift just prior to exhibition, avoiding damage to root node, trim roots and tops, remove outer layer of skin to get dirt off.
- * **Potatoes:** After digging, allow them to dry 20 minutes or so to set the skin; wash gently and avoid rough handling.
